A. About IICInstitute

- Government College of Engineering and Technology (**GCET**), Jammu was established in the year 1994 under the Department of Higher Education, Government of J&K. It is approved by AICTE, New Delhi and affiliated to University of Jammu, Jammu. The college offers Engineering UG degree courses in five disciplines in Electronics and Communication, Electrical, Computer, Mechanical and Civil Engineering.
- GCET Jammu has become the first institution of UT of J&K to have its all UG programs viz. Computer Engineering, Mechanical Engineering, E&C Engineering, Electrical Engineering & Civil Engineering accredited by **National Board of Accreditation(NBA)** in the year 2023.
- GCET Jammu has availed Technical **Education Quality Improvement (TEQIP-III)**, a World Bank aided project of MHRD, GOI launched with the objective to upscale and improve the quality and enhance the existing capacities of the participating institution to become demand driven, quality conscious, efficient and forward looking, responsive to rapid economic and technological developments occurring at National and International level from 2017-2021.
- GCET has upgraded the existing lab infrastructure to develop the state of the art research facilities for the students/researchers in the field of engineering sciences. Further, to keep abreast with the latest technological happenings and demands of industry, the institute revises syllabus/course on regular basis besides providing opportunity to faculty/staff members. The Entrepreneurial courses have also been introduced to impart an entrepreneurial mindset to act on opportunities, learn from failures, and solve problems, as well as technical, business, interpersonal, and communication skills.

VISION

To achieve recognition as an Institution of Excellence in Entrepreneurial and Innovation Promotion Ecosystem.

MISSION

- To Develop a Critical Mass of Motivated Students & Faculties with Entrepreneurial Orientation & Skill.
- To Build Infrastructure Support for Innovation & Early Stage Enterprise development and Enabling Access to Resource & Facilities at Institute.
- To Enhance In-House Competency Development to Serve Potential and Early Stage Entrepreneurs and Student Innovators at the Institute.
